1 MAXIMUM SAFETY

Well-thought-out details at all critical points reliably prevent any risk of injury. From finger-trap protection to rounded corners, and tested materials and constructions. The Bambino program is not only TÜV-tested and GS certified, but also meets the requirements of the GUV. All KEMMLIT partitions come with the 7-year KEMMLIT guarantee.

2 EDUCATIONAL AND CHILD-FRIENDLY CONCEPTS

Based on our wide range of colors and special ergonomic and age-appropriate solutions, sanitary rooms are created with a clear educational concept for well-being. The colors appear friendly and also help children with orientation.

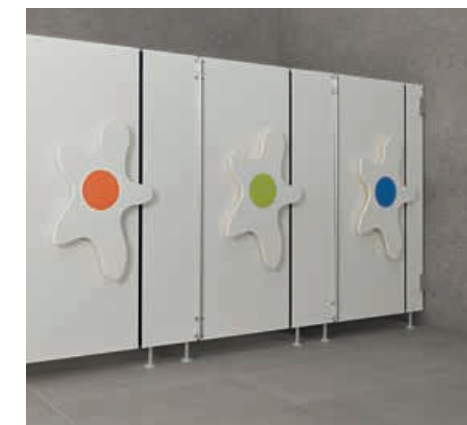

3 ROOM SOLUTIONS IN HIGHEST QUALITY

Optimally coordinated and tailor-made individual products such as cubicle partitions, washbasins, changing combinations, shelves, storage units, mirrors, potty training benches, and special furniture, guarantee a harmonious overall effect with a long service life.

4 EXPERT ADVICE AND ON-SITE SERVICE

Local specialist consultants and factory-trained installation teams ensure short response times - from the initial consultation and 3D room planning to installation by trained professional fitters.
