AfPS GS 2019:01 PAK

With this certificate, the GS body of TÜV SÜD Product Service GmbH, within the scope of its designation, grants the GS mark to the named certificate holder for the designated product with the specified model designation in accordance with § 20 ProdSG. The product complies with the requirements of § 20 para. 3 ProdSG regarding the guarantee of safety and health. Attention is drawn to the manufacturer's obligations according to § 24 ProdSG. The certified product can be marked with the certification marks shown above. Any alteration of the representation of the certification marks is not permitted. The transfer of a certificate by the certificate holder to third parties is inadmissible. The certificate is valid until the specified date, unless it is terminated earlier. All applicable requirements of the testing, certification, validation, and verification regulations of the TÜV SÜD Group must be met. For details, please see: www.tuvsud.com/ps-zert
